

Buy-a-Square Foot Fundraiser

We are proud to introduce the Let's Build an Accessible Playground square foot by square foot campaign. This is an opportunity for you, your family and friends to become a permanent part of the first accessible playground in Kitsap County by purchasing a square foot (or many square feet) of accessible playground surfacing. The surfacing will be installed on the new beyond accessible playground at Evergreen Park.

Only \$20. per Sq. Ft.

Bremerton Beyond Accessible Play, is a community group dedicated to bringing beyond accessible play opportunities to people of all abilities in Bremerton and Kitsap County. Bremerton Beyond Accessible Play, a mission-driven organization, was established in 2011 by a group of parents passionate about creating beyond accessible play opportunities for children with special needs. The volunteer members of Bremerton Beyond Accessible Play, in partnership with the City of Bremerton, are pleased and excited to support the Evergreen Rotary Park Beyond Accessible Play Project.

YES! I'm interested!
